

FULTON COUNTY TRIBUNE.

VOL. XXXVII NO. 43

1-1-19

WAUSEON, OHIO, THURSDAY, JANUARY 27, 1921

\$1.50 PER YEAR

GOVERNOR DAVIS IN ACTION

Carrying Out His Pre Election Pronouncements—Proves That He Is More Than a Man of Words by Vigorous Action

Among the statements made by Mayor Harry L. Davis in his address in Wauseon last fall were these: "I am going to save the state of Ohio not only thousands of dollars but hundreds of thousands of dollars. Speaking of the prohibition laws he said in effect, 'I shall see that the laws of the state are enforced and I will cooperate in every way possible with the agents of the Federal Government in enforcing the Federal Prohibition laws in the State of Ohio.'"

It is a matter of satisfaction to those who placed their confidence in Davis and were actively engaged in supporting him during the campaign, that now that the first statement has been fulfilled and Mayor Davis is now Governor Davis, he has not procrastinated in carrying out the rest of the statements, but has been at once to make the plans for reduction of the cost of administering the government of the State.

The daily press has made the actions taken by Governor Davis a matter of common knowledge to the people of the state so that a detailed statement of the Governor's activities up to date is unnecessary here. Governor Davis manifested his sound business judgment in securing such experts as General Goodrich, without doubt the nation's best engineer, if not the best in the world, to advise in regard to the State Highway Department; Mr. Frazer from Illinois for suggestions pertaining to the reorganization of the various administrative departments.

The summary of the reorganization of the State Highway Department, which was authorized or made by Governor Davis, is undoubtedly in the interest of the people of the State and the Governor is to be commended for his action.

FARM BUREAU CAMPAIGN CLOSES WITH MEMBERSHIP OF 1150

The membership campaign has been completed with a total of 1150 members. The campaign was organized on which has for its object the welfare of the whole nation. The campaign was organized by building up and safe guarding agriculture not at the expense of other classes but by cooperation with other classes.

Successful independent institutes were held last week at Swanton and the Grange Hall at Plattsmouth in York Township, Amboy, York, Gosham and Clinton Townships held Farm Bureau Organizations meetings and elected officers as follows:

AMBOY—Chairman, Fred Brodbeck. Vice Chairman, G. C. Kahle. Sec. Treas., Robert Reynolds. Delegate to State Farm Bureau Meeting, Robert Reynolds.

YORK—Chairman, W. L. Biddle. Vice Chairman, M. G. Aumend. Sec. Treas., Karl Mohr. Delegate to State Farm Bureau Meeting, M. G. Aumend.

GOSHAM—Chairman, L. E. Cappel. Vice Chairman, W. B. Ball. Sec. Treas., W. A. Hibbard.

CLINTON—Chairman, M. W. McConky. Vice Chairman, Val Snyder. Sec. Treas., R. C. Bannister. Delegate to State Farm Bureau Meeting, R. C. Bannister.

Legation and German Townships will hold their organization meetings this week. Each of the ten Townships organized have voted to send a delegate to the Annual Meeting of the Ohio Farm Bureau Federation at Columbus. These delegates are to report

ATTEMPTED ROBBERY AT PETTISVILLE

Otto Stauffer a "way farer" who says he has relatives living in Bluffton, Ohio attempted to enter the New York Central ticket office at Pettisville at noon last Thursday. Stauffer had broken a pane of glass from window but had not succeeded in effecting an entrance into the office when he was discovered.

The Sheriff's office was notified and Otto was taken into custody and lodged in the County Jail Thursday afternoon. Stauffer told the Sheriff that he had served two years in the Ohio Penitentiary, having been sent to that institution from Lima on indeterminate sentence of from one to fifteen years for burglary. The fact that this same man applied at the jail on Tuesday night of last week for a night's lodging leads the Sheriff to believe that Stauffer staged the attempt at Pettisville in order to get free board and lodging for the balance of the winter.

Sheriff Ford now has three inmates in the county jail under his charge.

R. R. Fares Reduced For Farmers Week

A round trip rate of one and one half fare for the round trip, minimum \$1.00 has been authorized by the Central Passenger Association from points in Ohio to Columbus for Farmers Week at the Ohio State University from January 31 to February 4.

This concession can be secured by writing to H. C. Ramsower, Director, Farmers' Week O. S. U., Columbus, Ohio, for an identification certificate entitling the person named thereon to tickets for himself or herself and dependent members of the family.

These identification certificates may also be secured from R. A. Cave county agricultural agent, or Harmon Gasche, secretary of the County Farm Bureau.

The round trip tickets will be on sale January 30 to February 4, good for return passage until February 7. Persons attending any of the farm organization meetings held as part of the program may take advantage of the offer.

BERTON BOYERS
Berton Miley Boyers, son of Mr. and Mrs. Levy Boyers died at the home on Commercial St. Tuesday night, Jan. 11th. After nearly two years of suffering the Grim Reaper came and the family circle was for the time being incomplete.

The deceased was just 1 year, 7 months and 3 days old. He leaves to cherish in memory, father, mother, two brothers and two sisters. Funeral services were held in the home Wednesday, January 13th at 2:00 p. m. conducted by G. E. Rostofor, pastor of the Christian church. The little body was laid to rest in the Morrell cemetery.

"He is not dead, the child of our affection, Where he no longer needs our poor protection, But Christ himself doth rule. In that great cloister's stillness and seclusion, By guardian angels led, Safe from temptation, safe from sin's pollution, He lives as we call dead."

TRINITY LUTHERAN CHURCH
Emil G. Risher, Pastor
Sunday School 9:00 a. m.
English Service 10:00 a. m.
Subject: Sufferings and their purpose.
Nothing but the gospel.
Y. P. S. the 1st and 3rd Thursday of each month.

EDUCATIONAL EXPANSION

Wauseon Schools At The Parting of The Ways—Expansion or Retrenchment? A Question In Which Citizens Generally Should Be Actively Interested

The Board of Education with their architect met at the High School building last Monday evening, a session of the utmost importance and should be debated from every angle. There are other considerations: commercial, mercantile, possibilities of changes and additions in the territory of the School district; but back of them all there lies this important consideration: the matter of education is basic, fundamentally essential to the very life of our Nation, this Republic of our pride!

We should face this matter of education as a loyal, alert American citizen. Whether we have or have not children to educate, we should never forget that the life, growth, development and progress of this country of ours depends upon the education of the children who are to be its citizens in the future. The right kind of education, an education that develops those physically, mentally and morally and fits them to carry forward the light of civilization.

"New occasions teach new duties. Time makes ancient good uncouth. Who would keep abreast of truth, The children of today cannot be educated to meet and successfully solve the problems of the present and those that will form in the future with the same methods and equipment which served in the past. Money is but a medium of exchange, hoarded it becomes a menace, exchanged to insure the perpetuity and growth of such a government as our own it becomes a blessing.

We can if we will effect such an exchange through education. The children of today cannot be educated to meet and successfully solve the problems of the present and those that will form in the future with the same methods and equipment which served in the past. Money is but a medium of exchange, hoarded it becomes a menace, exchanged to insure the perpetuity and growth of such a government as our own it becomes a blessing.

SIX UNITED CHURCHES EVANGELISTIC APPEAL—SONG LEADER COMING

A prominent citizen of Wauseon suggested that some measures be taken to reduce Fulton County's wide-spread notoriety for non-churchgoing. The local minister, Union accepted the challenge and planned a campaign for improvement. A survey was taken of Wauseon and the near lying country revealing the very great need of extra help.

The United Churches, Mr. and Mrs. Edward C. Harding of Mexico Missouri, have been secured to direct the great chorus choir and the work for children. Mr. Harding is a member of the Apollo Music Club and of the Northshore Festival Chorus of Chicago.

It is planned that these meetings should show the basic needs of the entire community. The preaching will be simple, sane and forceful. Every effort will be made to make the service most interesting and helpful. All meetings will be held in the Methodist Church except in case of overflow when a nearby church will be utilized.

The opening service will be next Sunday night at 7 o'clock. The service subject will be "What Must The Church Do To Be Saved?"

The six local churches united in the entire campaign are the Christian, Baptist, Congregational, Evangelical, Methodist and United Brethren. No evangelist will be imported as the preaching will be done by the ministers of the churches.

The six local churches united in the entire campaign are the Christian, Baptist, Congregational, Evangelical, Methodist and United Brethren. No evangelist will be imported as the preaching will be done by the ministers of the churches.

FULTON COUNTY HOLSTEINS MAKE EXCEPTIONAL RECORD

In the latest "Reported Tests of Holstein-Friesian Cows," published bi-weekly by Malcolm H. Gardner, D. S. W., Superintendent of Advanced Registry of the Holstein-Friesian Association of America, Eldon Deming of Wauseon, Ohio, has two of his purebred registered Holsteins listed.

One cow, Princess Peterette Wayne Pouch, is reported as having made at the age of four years, an excellent record of 546.2 lbs. of milk and 29.17 lbs. of butter fat in seven days, equivalent to 25.21 lbs. of butter.

The other cow, Princess Pouch Butter Boy, is reported as having made at the age of three years and two months a record of 51.7 lbs. of milk and 16.32 lbs. of butter fat in seven days, equivalent to 20.73 lbs. of butter.

Tests of this kind are supervised by one or more representatives of the Dairy Division of the College of Agriculture, present at each feeding and milking, to weigh the milk and test it for butter fat content. A duplicate sample of this milk, is forwarded to the State College, where a careful check is made before the record is reported.

MOTOR VEHICLE REGISTRATION IN 1920
Motor vehicle registrations for the past year obtained from the various states by the R. F. Goodrich Rubber Co. show there are now 9,274,520 passenger cars and trucks in use throughout the United States one for every 11.8 persons. This is an increase of 1,700,000, or 21.9 per cent, over Dec. 31, 1919 when there were 7,594,018 motor vehicles registered.

The gain during the past year was greater than that of any previous year and is considered exceptionally remarkable by officials of the automotive industry in view of the adverse business conditions throughout the country during the last part of 1919. The largest previous gain was 1,457,399 in 1919.

Every state in the Union showed a gain during the year, Virginia leading with 51.1 per cent, and Tennessee next with 14.4 per cent. The majority of states showed increases ranging from 18 to 24 per cent. In a general way, the figures show agricultural states made better gains than industrial states.

The race between New York and Ohio for supremacy in the number of motor vehicles has again turned in New York's favor. The mid-year registrations last summer showed Ohio leading by 81,000 cars and it was thought it would maintain its lead for the entire year. Thousands of New York owners registered later, however, and the final figures showed New York with 692,174 and Ohio with 618,600.

Pennsylvania strengthened its position on third place, advancing from 482,117 to 541,181, while Illinois, its closest rival, increased from 473,722 to 568,715. Although California did not show as great a numerical gain this year as the other leaders, it still placed firmly secured with 550,690.

ILLATION
Rebekah Lodge No. 658 held their 12th regular meeting Jan. 21st. Louise McInnes, installing officer. P. N. G. Ella Gould. N. G. Mary Sprague. V. G. Hannah Exilior. Rec. Secy., Althea Grubbs. Fin. Secy., Ella Bunz. Treasurer, Ella Gould. Warden, C. Virginia Myers. Com. Nola L. Tyner. R. S. to N. G. Catharine Wright. L. S. to N. G. Martha Sharp. Chaplin, Lena Hoffman. R. S. to V. G. Lewis E. Thompson, 25 artist Fayette and Grace Rickard, 15, Fayette.
William Moody, 40 farmer, Wauseon and Ivah I. Rutledge, 40 Wauseon.

Wauseon HI
LOSES TWO GAMES

Thursday night January 20th, the W. H. S. basketball team journeyed to Montpelier, Montpelier team got good record and were as determined to keep up that record as the Wauseon players were to spoil it.

The game started out very well, the score at the end of the first half was 19 to 14 in favor of Montpelier. At the end of the game the score was 50 to 15 in favor of Montpelier. No excuse can be offered. The team simply quit playing basketball. They couldn't have won a game of marbles that night. What the trouble was was not apparent but we do know that it was not the old fighting team the night of January 20th.

Saturday night January 22nd the team from Bluffton HI played Wauseon. As a preliminary the Chesterfield team defeated the W. H. S. Freshmen 21 to 20 in a hot and closely contested game.

The big game started about 8:30. For several minutes neither team made a basket, then Bluffton got started and made seven points on three field goals and a foul. Then Tedrow broke the ice and made a foul for Wauseon. This started things and soon the game was close the score at the end of the first half was 9 to 8 in favor of Bluffton.

The second half saw-seed back and forth. First Wauseon would be in the lead a point or two, then Bluffton would be the whistle blew, however, when Bluffton won, 24 to 21. It was the fastest and most exciting game played on the local floor this year. The fellows played real basketball too. Some different than the Montpelier game. Short was out because of a bad leg. Schall took his place at guard and played a good game. The next home game is Friday night with Pioneer.

OUR POLICY

Satisfactory sales--highest quality goods, that is our policy,--that has been the foundation of our growth.

We are never satisfied until you are. Suggestions are always received with thanks here.

Regarding prices, we always offer the most reasonable, the fairest prices that you can find anywhere. You will get full value for the money you spend.

Tell your friends of our SERVICE, of our MERCHANDISE, and of our PRICES--tell them of our business policy.

If you ever desire to offer advice or criticism, please do so. We want your cooperation and help in filling your needs satisfactorily.

Wauseon Electric Store

Phone 228. 202 No. Fulton St.

WOMEN like the Crystal because it is so easy to run and because it washes nine sheets in 15 minutes.

There are only two handles and they are always in the operator's reach. They control the Crystal cylinder and wringer. Stopping and starting are as easy as turning on the electric light.

All moving parts are enclosed and packed in a permanent supply of grease and the motor is automatically protected against overload.

Two Sacks of

FREE

An error was made in our Fulton Co. Tribune Farm ad last week, rendering same of little value. A 1-8 sack of tea table will be given each of the first two farmers to point out the mistake. Telephone communications will not count. The error must be shown to us either at the store or elevator.

Some one should eat mighty fine bread for a week or two.

Tea Table is a fancy short patent flour, milled from hard Kansas Turkey Wheat, guaranteed your satisfaction or money refunded. It makes a nice, big, white loaf of bread of wonderful flavor, usually costing a little more than the ordinary run of flour but worth every cent it costs.
